

University College  
of Norwegian Correctional Service

### Joint declaration of Agreement

The University College of Norwegian Correctional Service and Estonian Academy of Security Sciences, hereby sign a joint agreement of student exchange concerning single courses .

The aim of this student exchange is for the students to get a deeper and broader knowledge and perspective of the prison- and correctional service and their professional role. The student exchange could also provide a basis for teacher exchange and research collaboration.

Leadership of the student exchange programme are provided by the directors of both institutions.

In accordance with the Bologna process, both institutions hereby set out the criteria and common objectives of this student exchange:

#### **Fundamental Principles**

- Subjects that will be offered as part of the student exchange program must be accredited at EQF, level 6
- The admission requirements of the host institution must be met.
- Applications for student exchange must be submitted to the registrar's office of one's own institution for processing
- The courses offered must be announced no later than 12 months prior to start date.

#### **Practical Implementations**

- The student exchange starts from august 2019. The exchange must be offered in minimum one semester each year.
- The students at College of Justice Estoniana Academy of Security Sciences are offered admission to the following course from the Bachelor program in Correctional Service at The university college of Norwegian correctional service: *KRUS 3201 Radicalization and Violent Extremism in the correctional services* (15 ECTS)
- The students at The University College of Norwegian Correctional Service are offered courses in Language and cultural studies in the field of internal security and Internal security and safety studies <https://www.sisekaitse.ee/en/erasmus>.

- The courses must be free of charge with the exception of tuition fees and costs for curriculum and other study materials as described in the study program.
- The students must cover all costs connected with their student exchange. Except costs for accomodation, that will be covered by receiving institution.

This joint declaration of agreement begins from this date until one of the institutions terminates the agreement.

Date, 6.03.18
